Date: _____

Change of Habitat

Think of the story Jumanji. How would the story be different if the game was set in a habitat other than the jungle? Choose a new habitat from the box below. Chart the elements that would appear in the story due to the new habitat.

arctic	mountains	ocean	desert	pond
savannah	woodland	marsh	tundra	cave

The new habitat for Jumanji will be:

Animals animals in the story would include:	Plants plants in the story would include:
Climate weather in the story would include:	Landforms landforms in the story would include:

Explain how the new habitat setting will change the story.
